	Da	y 1				
8:00-9:00						
8:30-10:20	Ikhlas Khan, Director of National Center for Natural Products Research (NCNPR), University of Mississippi Namrita Lall, ISE President Donna Strum, Dean of the School of Pharmacy, University of Mississippi John Higginbotham, Vice Chancellor of Research and Economic Development, University of Mississippi Key Note Address: Daniel Edney, State Health Officer, Mississippi Department of Health Special Guest Speaker: Vaidya Rajesh Kotecha, Secretary Ministry of Ayush, India Bill Gurley, Principal Scientist, NCNPR, University of Mississippi "30 Years of NCNPR's Commitment to Botanical Research"					
10:30-10:50	Break					
	OCC Auditorium					
Session 1	Current Status and Future Outlook					
10:50-11:20 11:20-11:50	Chair: Mark Blumenthal, American Botanical Council Bill Giebler, Nutrition Business Journal, "Herbs in Commerce: Sales Trends and Consumer Attitudes in the \$13 Billion U.S. Herbal Supplement Market" Loren Israelsen, UNPA, "MAHA, Tariffs and Trade Policy: Opportunity and Challenges for Botanicals"					
11:50-12:00	Conference Photography					
12:00-1:00	Lunch (OCC Cedar Room)					
	OCC Auditorium		OCC Magnolia			
Session 2a	Quality Control Conundrum	Session 2b	Chromatographic Tools to Assess Quality			
	Chair: Brian Schaneberg, Illinois Tech Institute for Food Safety and Health		Chair: Paula Brown, British Columbia Institute of Technology			
1:00-1:30	Katie Banaszewski, Now Health Group , "Rooted in Quality: Elevating Standards in Botanical Supplements"	1:00-1:15	Maria Monagas, U.S. Pharmacopeia Convention, "Innovative Integration of HPTLC and AI for Detecting Adulteration and Ensuring Quality in European Elder berry Products"			
1:30-2:00	Cris Amarillas , <i>Eurofins Botanicals</i> , "Moving from conundrum to solution. Understanding the riddle of data, supply chains and botanical complexity"	1:15-1:30	Khanh Tran, Alkemist Labs , "Foraging for Methods: The Right HPTLC Method for the Right Specs"			
2:00-2:30	Andrew Shao, Chromadex , "Supplement product quality woes: A call to action"	1:30-1:45	James Kababick, Flora Research Laboratories , "Simultaneous Botanical Identification and Marker Compound Assay by High Performance Thin Layer Chromatography"			
		1:45-2:00	Mengliang Zhang, Ohio University, "Digitization of HPTLC chromatograms for chemometric analysis"			
		2:00-2:15	Andres Navarette, Universidad Nacional Autónoma de México, "Chemical profiling and quantification of flavones in several Pseudognaphalium and Gnaphalium species of Mexican gordolobo using UHPLC/PDA/MS"			
2:30-3:00		Break				
Session 3a	OCC Auditorium Emerging Challenges and Opportunities	Session 3b	OCC Magnolia Authentication and Identity			
3c33i0i1 3u	Chair: Gailen Marshall, UMMC	36331011 35	Chair: Joe Betz, Emeritus National Institute of Health			
3:00-3:30	Victor Navarro, Einstein Healthcare Network, "An Update from the U.S. Drug Induced Liver Injury Network and Plans for Sentinel Surveillance for Supplement Induced Liver Injury"	3:00-3:20	Wendy Applequist, <i>Missouri Botanical Gardens,</i> "Misidentification remains common in selected historically substituted Traditional Chinese Medicine herbs."			
3:30-4:00	Bill Gurley , <i>University of Mississippi</i> , "Dosage form performance assessment of four commercially available turmeric-containing dietary supplements to inform clinical study design."	3:20-3:40	Anna Kreynes , <i>North American Reishi,</i> "What is Chaga? Unique biochemistry of the sterile conk."			
4:00-4:30	Sreenivas Rangan Sukumar, <i>Hewlett Packard Enterprise</i> , "Artificial Intelligence in Natural Products Discovery: Opportunity, Optimism and Reality"	3:40-4:00	Wang Wei , <i>Hunan University of Chinese Medicine</i> , "Hunan Ethnomedicine Research Progress"			
		4:00-4:20	Banaz Jalil, UCL School of Pharmacy, London, "The pharmaceutical quality of herbal medicinal products and dietary supplements – Assessment of products from Lavandula species"			
	OCC Auditorium					
Session 4						
4:30-5:30	Chair: JD McChesney, Cloaked Therapeutics, LLC Rodney Rocconi, University of Mississippi Medical Center, "UMMC Cancer Center & Research Institute Partnership with the National Center for Natural Product Research"					
	Reception/Mixer - Special Guest of Honor: Vaidya	Rajesh Kotecha	, Secretary of the Ministry of AYUSH			
6:00-8:00	Award Presentation: Life Tim	ne Achievement a	and 30th Anniversary of NCNPR			

(The Lyric-1006 Van Buren Avenue, Oxford, MS 38655)						
Day 2						
	Update And Future Pers					
	Moderator And Session Chair: Greg Noonan, Food & Drug Administration, "Human Foods Program Risk Pillars and Unified	•	•			
Greg Noonan, Food & Drug Administration, "Human Foods Program Risk Pillars and Unified Laboratory Operations"						
8:30-10:00	Hellen Oketch, Food & Drug Administration, "Ensuring Authenticity: Best Practices for Botanical Constituent Evaluation"					
	Cassandra Taylor, Food & Drug Administration, "TBA"					
10:00-10:30		Break

Day 3							
International Perspective							
	Moderator And Session Chair: Herman Stuppner, University of Innsbruck						
8:30-10:00	Helen Sheridan, Trinity College Dublin, "Unlocking Nature's Pharmacy: Using hidden secrets from Post Famine Ireland to direct modern scientific exploration of Irish Bogland Species." Salvador Canigueral, University of Barcelona, "The contribution of the European Pharmacopoeia to the quality control of herbal medicinal products" Alvaro Viljoen, Tshwane University of Technology, "African traditional medicine – Challenges and opportunities in the globalization of an ancient healing modality"						
10:00-10:30	Break						
Session 10a	OCC Auditorium Access-Benefit-Sharing: quid Agis and quo Vadis? Chair: Jon Wardle, Southern Cross University	Session 10b	OCC Magnolia Medicinal Botanicals and Pharmacological Insights Chair: Michael Smith, ISURA				
10:30-10:55	Damien Krichewsky , <i>University of Bonn</i> , "Engaging ABS: an opportunity for sustainability transformation?"	10:30-10:55	Minho Shong , <i>Korea Advanced Institute of Science and Technology</i> , "Red Ginseng extract enhances mitochondrial function and alleviates immunosenescence in T cells"				
10:55-11:20	Ulrich Feiter, Parceval(PTY) Ltd., "From Biopiracy to ABS Compliance"	10:55-11:20	Sasitorn Chusri, Mae Fah Luang University, "Neuroprotective Potential of Thai Traditional Medicine and Medicinal Plant Extracts: Unveiling Anti-Inflammatory and Cognitive Benefits Against LPS-Induced Neuroinflammation"				
11:20-11:45	Rupert Koopman , Rupertkoopman.com, "Using a biodiversity hotspot: lessons from supporting the Wild fynbos flower harvesting trade"	11:20-11:45	Domenico V. Delfino, <i>University of Perugia,</i> "Selective effect of cucurbitacin D extracted from Elaeocarpus hainanensis on ZNF217 oncogene modulation in the nucleophosmin-mutated acute myeloid leukemia cells"				
11:45-12:00	Panel Discussion	11:45-12:05	Maged S. Abdel-Kader, Prince Sattam bin Abdulaziz University, "Traditional medicine: An indispensable source of bioactive entities"				
12:00-1:00	Lunch (OCC Cedar Room)						
		OCC Auditorium					
1:00-2:30	Resource Center for Cannabis & Cannabinoid Research: The Long-Awaited Center Has Arrived Chair: Ikhlas Khan, University of Mississippi Patrick Still, National Institute of Health, Overview of the Center Mary Paine, Washington State University, Highlights of the Research Support Core Nandakumara Sarma, United States Pharmacopeia, Highlights of the Regulatory Guidance Core Mahmoud ElSohly, University of Mississippi, Highlights of the Regulatory Guidance Core						
3:30-5:00	ICSB Yard Games & Competition						
6:00-8:00	Bowling And Southern Fish & Chicken (Premier Lanes, 204 Commonwealth Blvd., Oxford, MS)						
l							

	Day 4					
OCC Auditorium						
Science Behind Traditional Medicine						
	Moderator And Session Chair: Alvaro Viljoen, Tshwane University of Technology					
8:30-10:00	Robin Marles, Emeritus Health Canada, "Insights from Ethnobotanical Research in North America, Latin America, and West Africa Into the Phytochemical Quality, Pharmacokinetics,					
	Pharmacodynamics, and Toxicology of Botanicals"					
	Rudi Bauer, University of Graz, "The relevance of gut microbiota for the activity of herbal drugs"					
	Joanne Lee, Korean Red Ginseng Corp. "Korea Ginseng Corporation: Ginseng Expertise Since 1899"					
10:00-10:30	Break					
	OCC Auditorium					
Session 13	Sense and Essence					
	Chair: Stefan Gafner, American Botanical Council					
	Namrita Lall, University of Pretoria, "African cosmetics: more than just oils. Case studies of cosmeceuticals from terrestrial and wetland environments in Southern Africa"					
10:30-12:00	Nicole Stevens, doTERRA, "Ancient Wisdom, Modern Science: The Chemistry and Biochemistry of Copaiba Volatile Oil"					
	Marco Leonti, University of Cagliari, "How Taste Shaped the Use of Botanical Drugs"					
	Prabodh Satyal, doTERRA "Insights into the Degradation of Essential Oils: Mechanisms, Impacts, and Prevention Strategies"					
12:00-1:00	Lunch (OCC Cedar Room)					
	OCC Auditorium					
Session 14	Integrating Lab Data, Audits, Standards, and Research: The Path to Improving Cannabis and Hemp Product Quality					
	Chair: Alena Rodriguez, S3 Collective					
1:00-1:20	Alena Rodriguez, S3 Collective					
1:20-1:40	Yasha Kahn, MCR Labs					
1:40-2:00	Robert Welch, The University of Mississippi					
2:00-2:20	Darwin Millard, Cannabis Science and Quality (CSQ)					
6:30 onwards	Closing Ceremony & Banquet (OCC Cedar Room)
