

22nd International Conference on the Science of  
Botanicals (ICSB) being held jointly with the 7th World  
Congress of Medicinal Aromatic Plants (WOCMAP)  
Oxford, MS  
April 15<sup>th</sup> - 18<sup>th</sup>, 2024

Dear Prospective Meeting Participant,

On behalf of the Scientific Organizing Committee, thank you for your interest in participating in the 22nd International Conference on the Science of Botanicals (ICSB) being held jointly with the 7th World Congress of Medicinal Aromatic Plants (WOCMAP), which will be held April 15<sup>th</sup> through April 18<sup>th</sup> at the Oxford Conference Center in Oxford, Mississippi.

ICSB and WOCMAP both focus on all aspects of medicinal and aromatic plants and include international and national participants from industry, academia, and nonprofit institutions. Our agenda and venue make it convenient for networking and collaborations to occur.

We have developed an exceptional scientific program spanning many of the diverse interests of our committee as well as contributed sessions on the traditional areas of interest of our members. These invited plenary presentations and contributed sessions will include advanced analytical technologies emphasizing their importance to the long-term success of natural products, natural products in drug discovery, marine and microbial natural products, botanicals and ethnobotany. As is the case for all of our annual meetings, our participants will have the opportunity to present and discuss the latest in natural product research.

Unfortunately, ICSB 2024 is not able to provide financial support to meeting participants. Airfare, ground transportation, hotel, meals, travel insurance and any other meeting related expenses are the responsibility of each meeting participant.

**If you need to apply for a temporary, non-immigrant visa to attend this meeting, you are advised to apply for your visa as soon as possible and no later than 3-4 months in advance of the meeting date. All applicants must be able to qualify for a visa on their own merits under the requirements of the Immigration and Nationality Act. The ICSB 2024 cannot intervene with the U.S. State Department or an American embassy in another country on behalf of any meeting participant. You can submit this letter with your visa application to verify the name, dates, location and purpose of the ICSB 2024 meeting. Once you have registered for the meeting, you can bring your registration confirmation with you to your visa interview.**

Additional meeting information can be found on the meeting website at <http://oxfordicsb.org>.

We all look forward to seeing you at the 22nd International Conference on the Science of Botanicals (ICSB) being held jointly with the 7th World Congress of Medicinal Aromatic Plants (WOCMAP) in Oxford. We hope you can join us for this scientifically packed and intellectually stimulating event.

Sincerely,

Ikhlas Khan and Husnu Can Baser or Mark Blumenthal
